Thursday 20th January – School Census Day

OTHER NEWS:

School Census Day:

On Thursday it is our Spring Census Day, information from our reports is taken into account for future funding. It would be really helpful if your child has a school meal no matter whether it is the main meal/jacket potato or a baguette!

If you are in receipt of certain benefits you may also be entitled to free school meals without realising it. Children in Reception and KS1 are entitled to a government funded free school meal, but with our entitlement checker we as a school may be able to apply for additional funding which is put back into the projects we do within school.

No matter which year group your child/children are in if you would like us to check please call the school office and this will take approximately 2 minutes of your time.
