### **Essex Year of Reading with Dermot O’Leary for Year 1 – Year 4.**

The children have brought home a letter with information regarding a virtual event that will be happening within school on March 15th. The letter has an order form at the bottom which should be returned no later than Monday 7th March. As we then have to send the orders to an outside company, we will not be able to accept any orders after this date.

**Swimarathon:** Information for all participants has been sent home with them. PAY360 will be set up from Monday 7<sup>th</sup> March.

Thank you to Mr. Smith for making the arrangements and to Mrs. Harvey & Miss Bradley who will be there cheering you on!

Wishing all teams taking part in the Swimarathon lots of luck!

**Safety Notice:** For the children’s own safety please can we ask that they don’t climb or walk along the blue railings at the front of the school. Please can they also refrain from picking up the large sticks/tree branches and running around with them.

Please can we ask that all drivers are mindful in the car park both with arriving and leaving and parking. Thank you.

### **Playground update!**

We have been extremely fortunate to receive a new shade sail from A & S Landscapes who are a company that run a scheme donating a collection of second-hand, overstocked and end-of-line equipment to schools in the UK. A wide range of items has already been given away, including [shade sails](#), post pad protectors and colourful fence pales. The full range of items [can be viewed online](#), where requests can also be submitted. Several companies are involved with this initiative [a supplier of school canopies](#).
