

PRIORY PRIMARY SCHOOL—NEWSLETTER

EDITION: 23 1ST APRIL 2022

Return to School;

We return to school for the summer term on Tuesday 19th April.

Parents' Evening;

On our return we will be setting up and sending information out regarding parents' evening.

Swimarathon;

Well done to everyone that took part in the swimarathon, you raised the amazing amount of £551.00.

Changes to the computer systems;

Just a reminder that we are changing the computer systems and hope to have them all up and running for our return after the holidays. Arbor will become the new communication system, you can also check all the details we hold on file for your families and make amendments if necessary. Some of you have already logged on and used this, so that's good to know! The school meals ordering and payment system for meals, trips, events etc will be moving to Parent Pay and again we are hoping to have this all up and running by the time we return after the holidays.

Parent Pay school meal balances have been brought across from the old system.

We understand that with all systems there can be some issues so please let us know if you cannot log on. Both systems are also app based.

Communications Home this week:

Update from Miss Plunkett – emailed to parents on Monday 28th March

NHS Vaccine Update – emailed to parents on Wednesday 30th March

Changes to Computer System – emailed to parents on Thursday 31st March

Welcome to Arbor – emailed to parents on Thursday 31st March

A big thank you to every one for helping us get through this half term. Wishing you all a very relaxing, well deserved break!
