SCHOOL MEAL ORDERING;

The menu for next week is now live on Parent pay. Please can you order the weeks meals via Parent pay. Our school meals are freshly prepared each day so we are working on the numbers provided for the day. If an order is not received, what we can then offer the children becomes limited. A reminder email has been sent for parents that have not yet activated their account.

SCHOOL COMMUNICATION;

Arbor is now our communication system, you can also check all the details we hold on file for your families and make amendments if necessary. This will be how we email/in-app message and send letters to you. In-app messages are in use now, so if you have not registered you may miss key information. As Arbor is an app it is easily accessible via your mobile phone.

Rocksteady Concert;

All parents of children who take part in Rocksteady will have received details about the end of term concert which was delayed until Friday 29th April. The concert will take part in the school hall for Rocksteady families only at 2.30pm. We ask that the numbers are kept to 2 guests per child please. Entry will be via the main office from 2.25pm. If the children have siblings within the school who don't take part we are happy to bring them through to watch.
