SCHOOL MEAL ORDERING;

The menu for this term is now live on Parent pay. Please can you order the weeks meals via Parent pay. Our school meals are freshly prepared each day so we are working on the numbers provided for the day. If an order is not received, what we can then offer the children becomes limited. A reminder email has been sent for parents that have not yet activated their account.

It is advisable that if you are ordering in advance to perhaps only do a couple of weeks in case we change the menus for events such as summer picnics etc.

SCHOOL COMMUNICATION;

Arbor is now our communication system, you can also check all the details we hold on file for your families and make amendments if necessary. This will be how we email/in-app message and send letters to you. In-app messages are in use now, so if you have not registered you may miss key information. As Arbor is an app it is easily accessible via your mobile phone.

Parents' Evening;

A reminder that parents' evenings will be face to face and unless advised otherwise will be in your child/children's class. They are for Reception, Year 1, Year 3, Year 4 and Year 5. Access via the main school entrance.
