

Priory Primary School

Achieving our best; supporting and celebrating each other.

12th September 2024

Dear parents and carers,

I am writing to inform you that on Thursday 19th September, Essex County Fire and Rescue Service (ECFRSS) will be visiting our school to deliver an education programme as part of a joint initiative between the police and fire services in Essex.

ECFRSS will be delivering a presentation to Year 6 on Cyber Safety. The aims for this session are to focus on the hidden dangers of social media, online gaming, online predators, cyberbullying, and identity theft. Our objectives are for each young person to:

1. Understand the risks of being online.
2. Understand what cyberbullying is and the impact and consequences of online bullying.
3. Understand what an online scam is and how to keep information safe.
4. Understand how to stay safe online when using social media, games, and websites.

We recognise that this is a serious and sensitive subject, and we recommend that parents and carers discuss this at home with their children and young people.

If you have any questions or concerns, please do not hesitate to contact the school.

Thank you for your attention to this matter.

Yours sincerely,

Mrs V Gray

Office Administrator
