

Welcome to SEND 4 ALL

SEND 4 ALL was founded in 2023 by myself and a group of parents of children with special educational needs and disabilities. SEND 4 ALL is based in the Dengie and support's families across Essex through our online support groups and face to face coffee mornings.

OUR GROUP AIMS

Providing training to parents and carers, equipping them with the knowledge and skills to understand and support the development of their children with SEND, from early years through to adulthood.

Offering support services, including emotional support groups, and signposting to professional agencies, to help parents and carers bridge the gap between home, educational settings, and professionals.

Organising social activities for children and young people with SEND, as well as their siblings, to enhance skills, confidence, and self-esteem, enabling them to interact with peers and participate more fully in society.

Raising public awareness of SEND to foster better understanding and inclusion of families within their communities, thereby improving social cohesion and relationships.

WHAT'S ON?

Come to one of our weekly or monthly support groups for a cuppa and a chat. We can signpost you to the right professional services, help you go through paperwork, plan your next steps - or we can just listen! Children are welcome at the daytime groups and there will always be some toys for them to play with. Our online 1:1 sessions are for you to talk freely.

For more info, email: chantelle@send4all.co.uk or leanne@send4all.co.uk
